Disclaimer:

a) The indicative list of products and/or product lines that share a common SDK was provided by the respective **MANUFACTURERS.** RBH does not extend any warrantee whatsoever that the SDK used are compatible with said list.

b) **MANUFACTURERS** are known to improve and/or adjust their respective SOFTWARE / FIRMWARE / SDK on an **ad hoc** basis. Although RBH endures to incorporate said changes in the respective integra32 / AxiomV INTEGRATION MODULES, RBH does not extend any warrantee whatsoever that the changes were incorporated.

c) Please confirm with your local sales representative before extending any proposal to an end-user on the exact integration status concerning the specific BRAND & MODEL (inclusive of SOFTWARE / FIRMWARE / SDK versions) of the DVR / NVR / VMS / IP CAMERA/Finger Print reaader that is to be integrated.
