

AxiomXA[™] Security System

2 Automatic Road, Suite 108 Brampton, Ontario Canada L6S 6K8

Number: 92 AxiomXA[™] Registration/Licensing Activation

AxiomXA[™] Security System software comes with 14 days trial license, after which the system will not run unless user registers with RBH and activates the License.

Registration and Activation can be done any time during the trial period as well. Each site should register with RBH before activating their license.

Click on the link to open the license wizard at the top of the AxiomXATM screen in any of the two views you are working in: *Tile* or *Standard*, to open the License window.

Tile View

RBH Access Technologies Inc. Activation

Standard View

Clicking the link will open the window to select one of the two options: Register or Activate.

Registration/Activation can also be done through the Help menu in both views.

Through the help menu, you can choose to Register or Activate. Users need to register the site with RBH along with requesting a license.
